Newsletter

edition December 2013

Dear All,

we are pleased to present you today our new WDS-NEWSLETTER. Here you will learn anything new about WDS products, our services and innovations.

INCREASE THE RELIABILITY IN YOUR COMPANY SAFE EXCHANGE OF SIZE TOOLS AND PUMP SYSTEMS!

Due to their functionality and versatility the service trolley as well as the depositing parts stock are useful and irreplaceable assistants for the operating and maintenance personnel of your company.

[» more](#)

TAKE ADVANTAGE OF THE CURRENT STATE OF THE ART REBUILDING TO ACTUAL CONTROL DEVICES!

Some control devices no longer reflect the state of the art or are already discontinued and therefore no longer available. Therefore we have developed solutions for you to replace these control devices.

[» more](#)

MAKE YOUR PLANT READY FOR THE FUTURE MODERNIZATION OF PLANT CONTROLS!

Due to the rapid technological progress and the ever-increasing requirements for process and user safety, we recently dealt more intensively with the customer's request for modernization of the old plant controls.
